the merrills are very comfortable and their sizing is consistent across different models; if a size 10 in one boot fits, you can reliably order a different model shoeboot in size 10

more time to prepare; but who misses the bloating, flatulence, bad breath, heart burn, sluggishness,

these conversations can sometimes be won, but if the prosecutor is being unreasonable, the only remaining option may be to bring the fight out into the open and have the judge decide
